

VPCI Covid-Normal Restrictions

Effective as of Friday morning, 1 January 2021.

These revised Covid-Normal conditions will take effect on Friday morning 1 January, for all PFA-affiliated Petanque Club in Victoria until further notice.

- You may use the number of Pistes required and open Club Rooms.
- There is no restriction on the number of Players allowed.
- All people attending a Petanque Club should carry a face-mask.
- While at a Petanque Club please ensure the 1.5 m social distancing rule is adhered to at all times.
- Face-masks must be worn at all times indoors.
- Each Petanque Club is still required to maintain a record of all people who attend, including their name, mobile phone number and date of attendance.

The following is still mandatory.

1. No Player who feels unwell should visit their Petanque Club or any other Petanque Club under any circumstances.
2. If the outside numbers present at your Club at any one time exceed 100, you must ensure an average spacing of at least 2 square meters per person.
3. Equipment must not be shared, and this includes boules, jacks, rings and measuring tools.

The following is recommended.

1. Any Player in a high-risk category is encouraged to obtain additional expert medical advice about playing Petanque.
2. Tissues and hand sterilising liquid should be made available by the Club during playing sessions.

Date: 1 January 2021
